Evanced Events

Event Management with Online Patron Registration

Community outreach meets web calendar in this full-featured management and planning utility. With Events, your patrons can access your event schedule from any computer web browser and register for programs online. They can also sign up to be notified by e-mail about programs in their particular areas of interest. And, any authorized staff members can easily update the calendar so your programming schedule is never out of date.

- Designed specifically for libraries
- Integrates seamlessly to your website
- Convenient online registration for staff and patrons
- Makes statistics reporting simple
- Increases staff communication
- Streamlines workflows
- Saves time and money
- Easy-to-read calendars and program lists
- Automatic e-mail reminders and notices
- Quick and easy attendance lists
- Web widgets and RSS feeds
- Digital sign integration available
- ILS authentication optional
- Online pay option available at additional cost

"We couldn't get better support than what you give us. Believe me, no other organization we deal with gives us this kind of great support."

LINDA ECKERSEN - Jacksonville Public Library, Jacksonville, FL
